A UTC Fire & Security Company

MISION

Imbuing all our operations with the motto of fair business practices, family values and high growth-high profitability.

PROJECT DIVISION

As we are System Integrator Company in related to our core business such as Control System & Instrumentation, Fire & Gas Alarm System,Gas Metering package, and Power Plant Generation, we are dealing from Engineering design, Construction, FAT/SAT up to Commissioning phase and assist for Start-up phase.

ENGINEERING DIVISION

We are experience in various project and location all project has been accomplished and delivered as per project schedule meet standard and expectation by Customer. Our experience in many years are strongly recommended for current and next project execution to deliver and serve Customer satisfaction.

MATERIAL SUPPORT DIVISION

In order to support Project Division we also build Engineering & Service division to serve customer after project completion as well as for engineering services, Operation & Maintenance, Commissioning and Start up. Some Engineering design, FAT/SAT, Commissioning Job and Start-up has been accomplished and delivered related to oil and gas offshore and onshore field. We are fully support by Engineering team with huge

experience in system control such as Honeywell EPKS, C300, Experion LX, Safety Manager/ Fail Safe Controller, Allen Bradley Rockwell Automation, ICS Triplex, Flow Computer, Networking, hardware, software engineer, drafter as well as Project Management.

Through our experience in material and spare part supply for various Oil and Gas Industries such as Premier oil, Pearl Oil, Pertamina, ENI and more Oil and Gas Company and general industries we commit to serve our customer to kept their operation smoothly with effective cost.

DCS/PLC, Fire Alarm & Flow Computer
Brands: Honeywell, Rockwell Automation, Autronica, OMNI.

Conduit , Fitting & Accessories
Brands: Thomas and Betts, Crouse Hinds

Enclosure System & Accessories
Brands : Rittal, Alfa Electric, KSS

HMI & Scada
Brands: HoneywellRockwell Automation, Wonderware, Kinco

Cable tray & Accessories
Brands : Lion, Trias, and others

Junction box, Terminal block, Power

Supply & Accessories
Brands: Phoenix Contact, Weidmuller, ABB Entrellec

Lighting fixtures & Accessories
Brands: Chalmit, Killark, DTS & Thomas and Betts

Cable Power, Cable Instrument & Telecommunication Cable
Brands: Pysmian, Okonite, Olex, Pirelli, Calvicel, Belden, Sumi Indo, Jembo

Cable gland , MCT & Accessories
Brands : Hawke, CCG, CMP, Thomas and Betts, Crouse Hinds

Gas Detector, Smoke Detector, Heat Detector
Brands :Autronica,Crowcon.

Flow Transmitter, Level Transmitter, Pressure Transmitter
Brands: Honeywell, Yokogawa, Rosemount, Yamatake

Testing & calibration equipment
Brands: Fluke, druck, Ascroft

Heat Tracing Tube
Brands: O'brien

Control Valve, Safety Valve, Check Valve, Ball Valve
Brands: N-LINE Valve, Velan ABV, HOKE Valve, Gyrolok, Swagelok.
